**Association of Cardio-Thoracic  
Surgical Care Practitioners**

Dear ACT-SCP members,

COVID-19 (Coronavirus) is a very active and fast developing outbreak. Do ensure that you are taking all precautions to protect yourself, friends and family.

I know you have all been asked to work as front line staff and we really admire your strength and courage during this difficult time. Please take care and our very best wishes are with you.

The Royal College of Surgeons Edinburgh has postponed all examinations this year. There will be no revision courses or exams this year for trainee surgical care practitioners. It is of course with regret but this decision has been taken to protect the health of everyone.

Your well-being is vital to us. If you need any support or further advice in the interim, please do contact me, Dr. Bhuvanewari Krishnamoorthy on [biblerab@edgehill.ac.uk](mailto:biblerab@edgehill.ac.uk) or any of the ACT-SCP committee.

Please support each and every NHS colleague, your family and friends during this difficult time. Our thoughts are with all of you and as always, we are stronger together so let's stay strong and stay united.

Kind regards,

**Mrs. Bhuvanewari Bibliraaj**

President
